Map of Local/Regional Transportation Demand Management Initiatives (09-2014 Update)

(Just a sketch – Let us know if you have something to fill in!)

Franklin/Grand Isle

- GMTA collaborating with Go Vermont! to create vanpools at Mylan.

(Contact: Tawnya Kristen, tkristen@gmtaride.org)

Go Chittenden County –www.gochittendencounty.org

- CCTA: new Burlington-Jeffersonville commuter service; Employee Transit Pass pilot. *(Contact: Meredith Birkett, mbirkett@cctaride.org)*
- CATMA: expanded program to all of Chittenden Co. and expanded regional Employee Transportation Coordinator Network. *(Contact: Sandy Thibault, catma@uvm.edu)*
- Local Motion: reaching new bike commuters; will install electronic-access bike lockers in Burlington and Winooski; county "Sustainable Transportation Survey." *(Contact: Jason Van Driesche, jason@localmotion.org)*
- CarShare Vermont: fleet expansion, successful Burlington Park It Pledge, campaigns to increase membership and awareness. *(Contact Annie Bourdon, annie@carsharevt.org)*
- CCRPC: coordinating Go! Chittenden County. *(Contact: Bryan Davis, bdavis@ccrpcvt.org or Michele Boomhower, mboomhower@ccrpcvt.org)*

Clean Cities Coalition –www.uvm.edu/vtccc

- Working to expand EV charging station infrastructure in Vermont.
- Holding workshops and trainings throughout the state on alternative fuel technologies.

(Contact: Michelle McCutcheon-Schour, mmccutch@uvm.edu)

Go Addison County TMA and Smart Commute program.

- Working with businesses to implement Smart Commute.
- Very limited resources but hoping to build capacity and momentum during next 6 months.
- Outreach to broad audiences.

(Contact: Nadine Barnacle, canterbarnicle@gmavt.net)

Rutland County

Rutland Regional Transportation Council

(Contact: Susan Schreibman, susan@rutlandrpc.org)

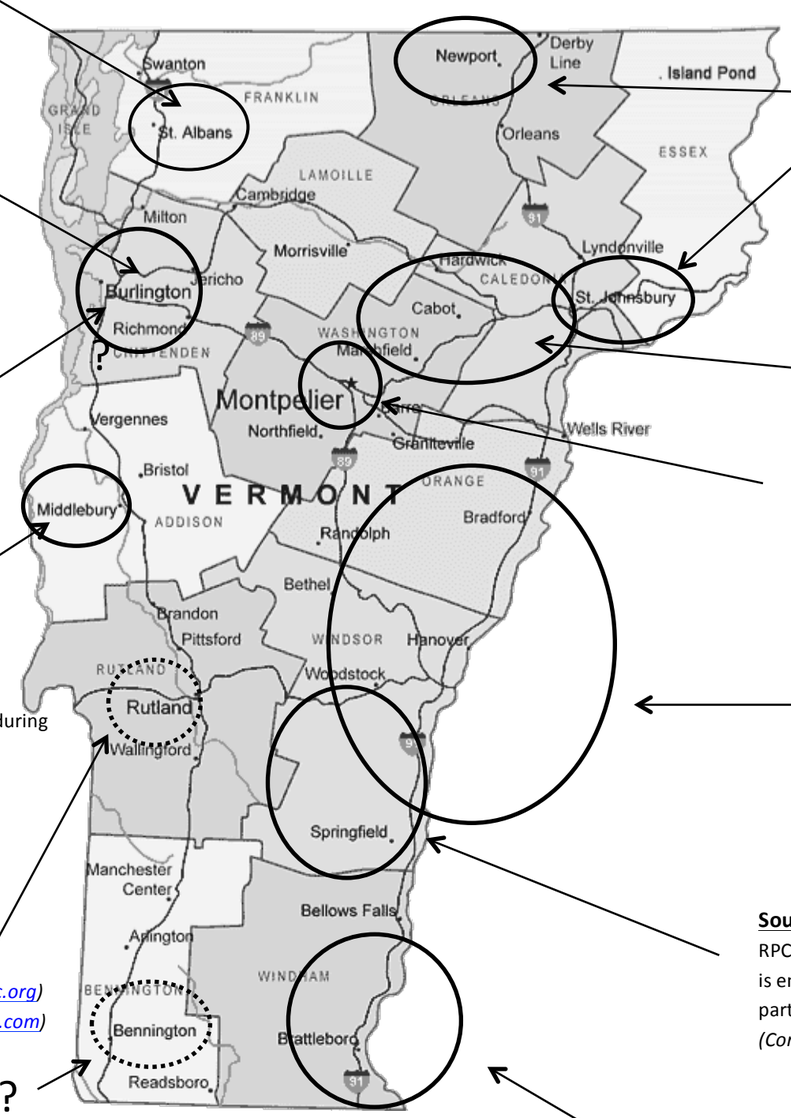
The Bus *(Contact: Minga Dana, minga@thebus.com)*

?

Cross-Region Work

- Idle-Free VT: awarded grant for Vermont Idle-Free Schools 2014-15 project to improve air quality at schools and lessen carbon emissions; five schools to participate in Idle-free study & measuring campaigns; work with fleet operators on no idling. (*Contact: Wayne Michaud, info@idlefreevt.org*)

- VEIC: Advisory committee to be brought together this fall to brainstorm new strategies on how to better engage participants in Way to Go! (*Contact: Suzanne Elowson, selowson@veic.org*)



Northeast Kingdom

- Development around the Jay Peak area is a huge opportunity.
- NVDA and RCT are at the table in development conversations – no major transportation conversations yet.
- RCT working on introducing TDM from the employee level rather than through management. Would like to see more transit access and ridership.
- Way to Go! participation grew **40%** in the NEK this year.
- St. Johnsbury and Danville preparing for the Lamoille Valley Rail Trail. St Johnsbury, Danville, and Newport City each pursuing bike/pedestrian infrastructure planning and/or development.
- NVDA released final NEK Transportation Infrastructure Plan.

(Contact Mary Grant, marygrant.rct@gmail.com or Gail Aloisio, galoisio@nvda.net)

Washington/Caledonia Counties US 2 Commuter bus increased ridership by 5%. *(Contact: Tawnya Kristen, tkristen@gmtaride.org)*

Montpelier 350+ state employees are participating in the Capital Commuters Pilot Program. *(Contact Deb Sachs, dsachs@ecostrategiesllc.com or Ross MacDonald, Ross.MacDonald@state.vt.us)*

Upper Valley

- Vital Communities: launched Smart Commute pilot in towns of Bradford, Hartford, Norwich, and Windsor to improve transportation for residents. Also targeting staff and students at local schools through Smart Commute program for workplaces.
- Advance Transit: Green Route expansion through Hartford to Hanover & Lebanon, NH.

(Contact: Aaron Brown, aaron@vitalcommunities.org or Van Chesnut, VChesnut@advancetransit.com)

Southern Windsor County

RPC adopted new regional transportation plan (http://swcrpc.org/publications/) and is engaging TAC in conversations about unmet transportation needs in region, particularly for medical transportation.

(Contact: Katharine Otto, kotto@swcrpc.org)

Windham County

- Brattleboro Climate Protection – Way-to-Go in May and September, ongoing business roundtable (quarterly) – working to maintain interest/engagement.
- Bike suitability map: http://www.windhamregional.org/bikemap/
- Regional Mobility Study published.
- Train human services providers in transportation resources outreach.
- Launched Smart Commute Brattleboro program with major employers in area.

(Contact: Matt Mann, mmann@sover.net or Paul Cameron, pcameron@brattleboro.org)

As you can see, our map is filling up. Please see attached appendix for more details on some of the programs listed here.
