VOLUNTEER DRIVERS NEEDED

Many of our friends and neighbors have no transportation of their own. Volunteer drivers provide essential access to transportation for those who don't have a car and cannot take the bus. Volunteer Drivers bring people from home to medical appointments, the grocery, and to other critical services. Whether you have 4 or 20 hours each month, or are available seasonally, many people can use your help! Volunteer Drivers connect friends, support independence and promote healthy living.
