

When You
COME TOGETHER
 for a Better Commute
YOU'LL SPEND LESS

ENTERPRISE RIDESHARE HELPS CUT COMMUTING COSTS BY 50–80%

Driving alone costs nearly \$900 a month and more than \$10,000 per year* – vanpooling can reduce those costs significantly.

Save on Gas

By sharing the cost with your fellow commuters

Reduce Your Out-of-Pockets

When you drive your personal car less, scheduled maintenance isn't needed as often, you avoid wear and tear, decrease the likelihood of unscheduled repairs and slow vehicle depreciation

Lower Your Auto Insurance

Decrease your auto insurance payments by 10-30% with recreation only or pay-as-you-drive policies

Enjoy Tax Benefits

If your employer offers pre-tax payroll deduction for mass transit**

*Based on AAA average commuting figures, for a 100-mile round trip per day. Costs may vary by location or length of commute.

**IRS Tax Code 132(f)
