Sharing A Ride Makes Sense

Carpooling is great way to share a ride and get around, especially in places that don't have great public transportation options. It's flexible and can save you 50% or more on the cost of driving alone to work, an errand, or an outdoor adventure!

ENJOY THE BENEFITS OF CARPOOLING:

- Cut 50% of your daily commuting costs!
You'll spend less money on gas and maintenance
- Reduce wear and tear on your vehicle
- Fewer cars on the road mean less carbon in the air, less traffic, and less parking congestion
- Share driving responsibilities; get time to sit back and relax before and after work

FIND YOUR PERFECT CARPOOL BUDDY!

Finding a carpool partner is simple. When you join Go! Vermont, you can access our free ride matching service. Create a profile, enter your destination, and find buddies for the ride!

Additional Benefits When You Join Go! Vermont

- Earn points to redeem for coupons, discounts and other rewards for greener travel
- Enjoy a Guaranteed Ride Home if you're stranded or plans change

CARPOOLING TOOLS:

| Park & Ride

You found a Carpool, but now need a place to leave your car.

Vermont has 48 state and municipal Park & Ride lots located throughout the state. For detailed information on each location scan the QR code above or visit: parkandrides.vermont.gov

Vermont Trip Planner

The travel app to help you get around Vermont.

Whether you're commuting to work, attending an event, or visiting a favorite destination, Vermont Trip Planner provides directions for all travel options in the state including: biking, walking, driving, and public transit. When you join Go! Vermont, Vermont Trip Planner can also match you with a carpool.
